Claims 5-7, 9-12 and 16-22 are again rejected under 35 U.S.C. 103(a) as being unpatentable over Iwasa et al. (US 2002/0012786) for the reasons of record.

The two Declarations submitted by applicants are not dispositive of the issue of patentability since a) the Baker Declaration is an opinion affidavit alleging facts that are unsubstantiated with objective evidence and b) the Clark affidavit fails to offer comparisons which subject matter over which the claims are rejected. If the allegations in the Baker Declaration are true, objective evidence in support of the same would overcome this rejection.
